

MedTrack DV Dashboard Storyboard

Navigation Flow & Dashboard Architecture

Global Navigation Flow

Global Components

Global Filters

- State
- Department

Navigation

- Navigation Buttons
- Dashboard switching

Dashboard Actions

- Cross Filtering
- Parameter Action – Department Selection
- Navigation Actions – Dashboard Switching

Department Comparisons

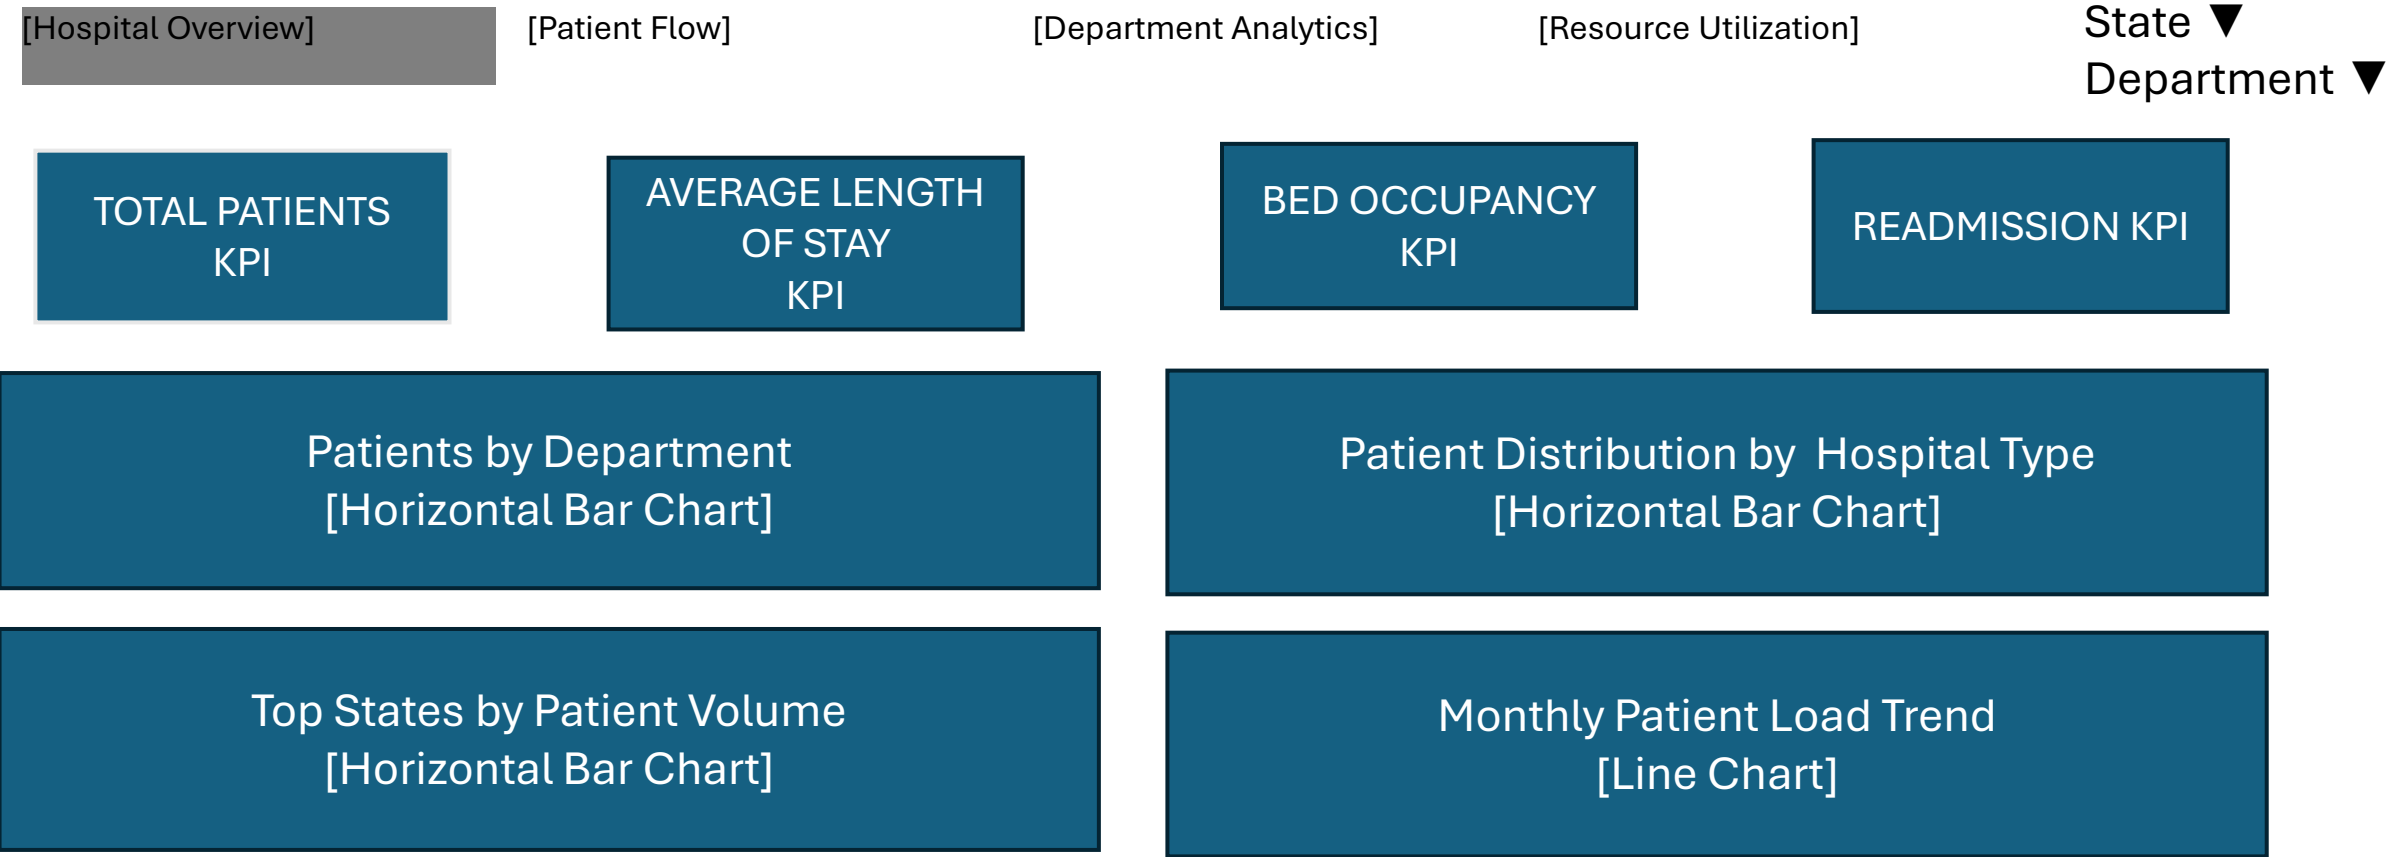

- Patient Volume
- Readmission Rate
- Average Length of Stay
- Department Efficiency
- Treatment Capacity

Storyboard Notes

- Hospital Overview is the landing dashboard.
- Users navigate using dashboard buttons.
- State and Department filters are available globally.
- Interactive actions enable drill-down analysis.
- Department selection is displayed using a parameter action.

Hospital Overview Dashboard

Storyboard – Planned Layout

PURPOSE / INTERACTIONS

- High-level hospital performance overview
- State & Department global filters
- Navigation buttons
- Cross-filtering between charts
- Interactive chart filtering
