

DASHBOARD NAVIGATION & SCREEN MAP

High Level Navigation Flow & Key Interactions

Click on any card or use the top navigation bar to switch between dashboards

ANNOTATIONS

- 1 This storyboard outlines 4 key dashboards and overall navigation structure.
- 2 Each dashboard focuses on a specific aspect of hospital operations.
- 3 Consistent filters and navigation ensure a seamless experience.
- 4 Users can drill down from overview to detailed insights.
- 5 Export, share and filter actions available on all dashboards.
